

BAY AREA WOODWORKERS ASSOCIATION

APRIL 1990, Volume 9, Issue 4

NEXT MEETING

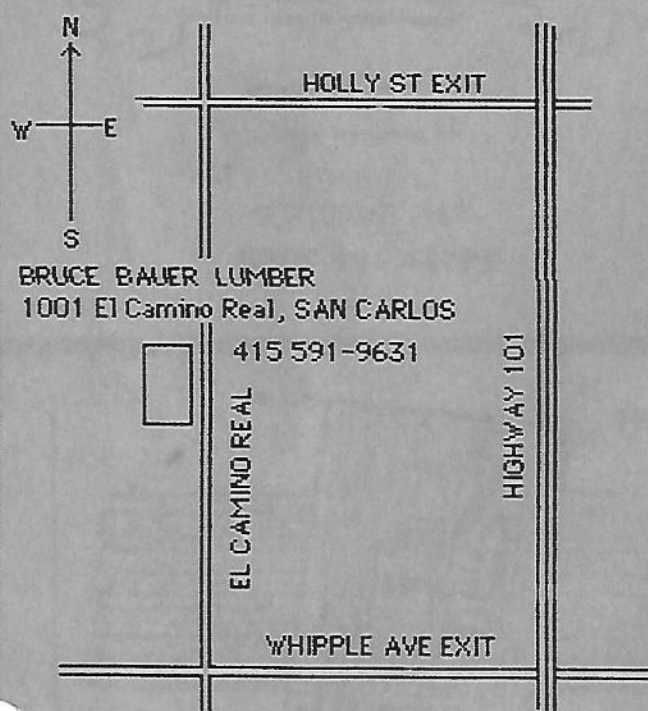

Our next meeting will be held on THURSDAY, APRIL 19th, at BRUCE BAUER LUMBER AND SUPPLY at 1001 El Camino Real in San Carlos.

The topic this month is BOSCH TOOLS. Representatives from Bosch will set up and demonstrate their latest and best tools. There will be a "hands-on" session—you can rout, drill, saw and sand, use and abuse these tools yourself !!

PLUS, Bosch will donate a 1604 router to be raffled to BAWA members ! AND, discount cards for tools and lumber will be issued, to entice you to buy something you have been dreaming of. Prices will be competitive with mail-order costs—bring your checkbook.

Also, a representative of a wood wholesaler will be there to show samples and demonstrate wood grading!

Our hosts will be Daryl Thom of Bruce Bauer Lumber and Barry Rosenberg of Bosch Tools. They will lay on some special refreshments for us.

At 7:30 there will be a 15 minute business meeting. We are trying to keep these meetings as short as possible.

After the tool demo there will be a SHOW AND TELL for members who have made something they would like to share. Or if you are having a problem building something, or are looking for ideas, or have ideas to share. . . Bring something to share—YOU are BAWA.

Also, Bruce Bauer Lumber is having a Tool Show on May 3rd at their Mountain View Store. There will be demonstrations from Makita, Bosch and others—special prices and tool previews. Flyers will be available at the April 19th Meeting.

Last Meeting

We met at Woodline in Alameda. (Thanks for the invitation Woodline, we appreciate it) There were quite a lot of new faces present, many of them people who had seen us at the N. Calif. Woodworkers show in San Jose the week before. Stan Booker served donuts and some mighty fine coffee.

Jeff Beeman reported on the Woodworkers Show. We displayed our work, and handed out 700 of the flyers created by Fred Sotcher. Over 300 people signed up to receive further information on BAWA. Thanks to Jeff, the Show Coordinator, and his staff of great booth volunteers

New Business

Arnold Champagne, chairman of the Outreach Committee, suggested that for a project for this year we make Christmas toys for a center for the handicapped. He would like to hear from you. What are your suggestions? what could you make? Write to him at 27 Putnam St, SF 94110, or bring an example to the next meeting.

Fred Sotcher made a strong plea for starting a loaner library of videos and books. He has been talking to members of other woodworking organizations and they say their loaner libraries are extremely popular. A search for someone to be librarian ended when Woody informed Carl Johnson that he had just volunteered.

Demonstrations

Woodline treated us to a demonstration of the Performax Drum Sanders. Yankee ingenuity is not dead! They are impressive machines, reasonably priced and easy to use. Woody Woodward Discoursed on the theme of inclined planes: screws, cams, wedges. He showed us a variety of the pleasing gizmos he has made.

Wanted

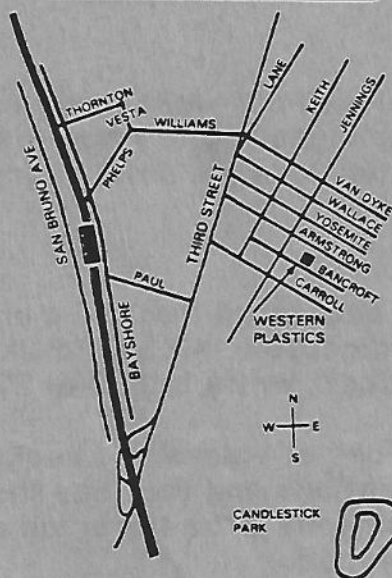

Help needed, small production woodworking shop in San Francisco. Leave a message at 928 4509

Chris Crawford would like to find someone interested in looking, with him, for a shop space to share in SF or Northern Peninsula. (His present shop was damaged in the 'Quake and he has to vacate.) Call him at 731 1083

Help needed with the newsletter. I could use someone in the San Francisco area to affix postage and labels to newsletters and be sure they get out. (Some very good folks from the East Bay have been helping out, but it just doesn't make sense to cross the Bridge to do a job that only takes an hour or so.) Call John Weidner, 885 5072 wk or 587 0374 home.

The Program Committee is planning a TOOL SWAP for the near future. Start thinking of which under-utilized tools you might want to swap.

BAWA MEMBERSHIP APPLICATION

**BAY AREA
WOODWORKERS
ASSOCIATION**

Bay Area Woodworkers Association was formed early in 1982 by a small group of dedicated people who felt the need to strengthen the woodworking community by holding regular meetings, establishing an informal forum for the exchange of knowledge and ideas, sponsoring shows, and meeting others in woodworking and related fields. Since then, this non-profit organization has grown to many members. Meetings occur in the third week of each month at 7:00 p.m. and are generally held in San Francisco or Oakland/Berkeley area. Meetings usually have a specific topic such as router techniques, finishing, turning, business aspects of woodworking, or focus on a distinguished guest speaker who will give a presentation in their area of expertise. Most meetings are held in members shops, or the place of business of a guest presenter. Members receive a monthly newsletter.

Dues are \$30 per year payable in January, \$22.50 payable April - June, \$15.00 payable July-September, \$7.50 payable Oct.-December.
