

# BAY AREA WOODWORKERS ASSOCIATION

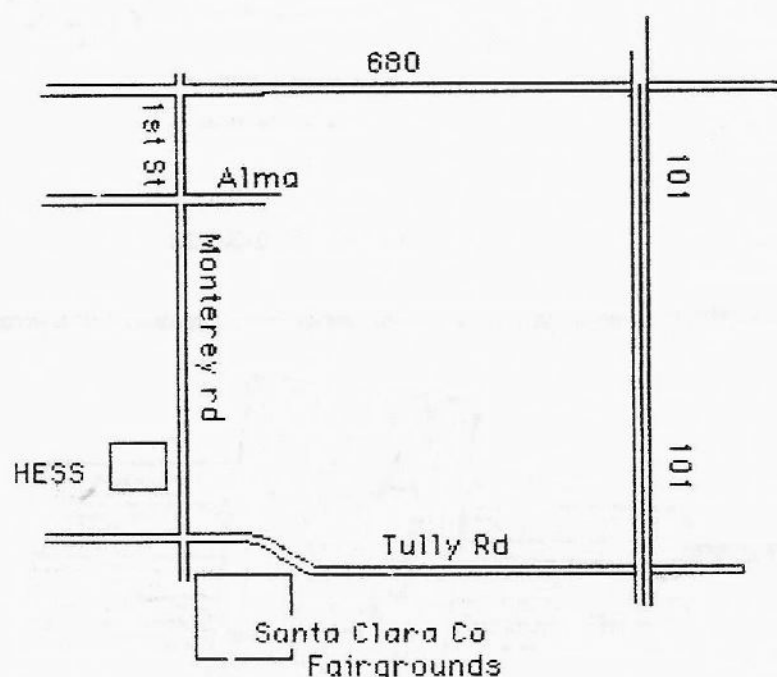

MAY 1990, Volume 9, Issue 5

## NEXT MEETING

The May BAWA meeting will be held Thursday, May 17th, at HESS FOREST PRODUCTS SHOW ROOM AND WAREHOUSE, located at 2023 Monterey Rd in San Jose.

Hess Forest Products manufactures and distributes wood mouldings, mantels, stair parts, columns and other wood products. The showroom is filled with examples of their finished products like mantels, doors stairs etc.

The starting time is 7:00 PM for socializing, coffee and donuts, sidn-in etc. The business meeting will start at 7:30 and be as brief as possible.

The Program this month will be hosted by Michael Shoffner, manager of Hess Products. Hess will present Demos on wood moulding installation, followed by an introduction to stair parts. If you ever wanted to upgrade your inside trimmings, don't miss this meeting. The products are Oak, Walnut and the better grades of wood.

After the Demos we would like to have members bring in something to show and share. Open up and participate, this is your Association!

## BAWA INFORMATION UPDATE

I would like to begin this article with a plea for help. We desperately need at least two more dedicated and responsible members to serve on the program committee. I would not relish canceling a meeting for the lack of a program or a place to hold it. PLEASE GIVE THE COMMITTEE A HAND!!!

Anyone interested in joining this committee should contact Glen Krueg (Chairperson) at (415) 797-9046.

A special thanks to Jim Cohen for volunteering his time to help John Weidner get the newsletter out.

We have several events coming up in which members should enjoy participating.

1. Tool swap which will be held at the August meeting.
2. "2 x 4" woodworking contest at the October meeting.
3. Northern California Woodworking Show being held in San Mateo on November 9th, 10th, and 11th. The entries in the "2 x 4" contest will be displayed as well as members' other woodworking projects.

The "2 x 4" contest is really a fun thing, plus there are quality prizes for first, second and third place.

The rules are as follows:

1. Use your creative talents to turn out a project using a single 2" x 4" board no longer than eight feet, and using any species of wood.. No mixing of woods is permitted.
2. There are no design restrictions.
3. Any type(s) fasteners (except nails) may be used.
4. Any type(s) of operable/ornamental hardware may be used.
5. No other materials such as plexiglass or plastic laminates may be used.

This is an excellent time to start planning for the above events--time is a speed demon.

Whatever your project, do it with safety in mind.

The "show and tell" portion of our meetings can be very enjoyable as well as educational. Bring in your woodworking projects, jigs and fixtures, unusual tools, shop methods for solving or doing a job easier, or anything else that would be of interest to the membership.

If you have a woodworking problem of any kind, present it at the meeting and we will do our best to help solve it.

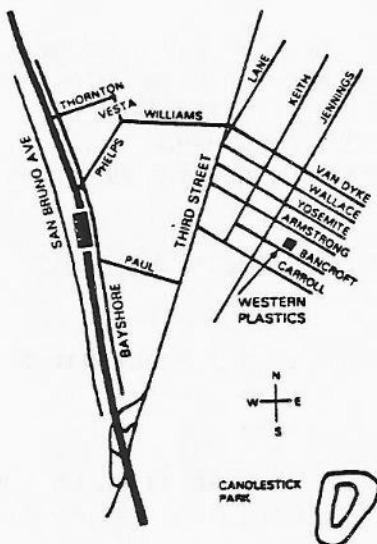

Remember, all paid-up members are entitled to free "for sale" or "wanted" ads in the BAWA Newsletter.

Last but not least, a hardy welcome to all the new members, and we hope your membership proves to be a rewarding experience.

Own bench area and shared use of high-quality, very-well maintained machinery. Truck-level indoor loading bay, alarm system, dust control, compressed air, lots more.  
Call 465-4784 for more information.

### Last Meeting

The April meeting was a great success. A great big thanks to Barry Rosenberg of Bosch Tools for putting the program together and providing the hands-on tool demonstration. Our hosts, Darryl Thom, Mike Takatsumo and Greg Munoz-Plaza at Bruce Bauer Lumber, did a bang-up job of setting up the meeting place and providing refreshments and generous discounts to BAWA members.

BAWA MEMBERSHIP APPLICATION

**BAY AREA  
WOODWORKERS  
ASSOCIATION**

Bay Area Woodworkers Association was formed early in 1982 by a small group of dedicated people who felt the need to strengthen the woodworking community by holding regular meetings, establishing an informal forum for the exchange of knowledge and ideas, sponsoring shows, and meeting others in woodworking and related fields. Since then, this non-profit organization has grown to many members. Meetings occur in the third week of each month at 7:00 p.m. and are generally held in San Francisco or Oakland/Berkeley area. Meetings usually have a specific topic such as router techniques, finishing, turning, business aspects of woodworking, or focus on a distinguished guest speaker who will give a presentation in their area of expertise. Most meetings are held in members shops, or the place of business of a guest presenter. Members receive a monthly newsletter.

Dues are \$30 per year payable in January, \$22.50 payable April -June, \$15.00 payable July-September, \$7.50 payable Oct.-December.
